# Fontainebleau

Being an original comes naturally when you find yourself at home with the Fontainebleau collection. Encompassing designs and motifs popularized in the Rococo and Baroque periods, these distinctive furnishings create an environment richly reflective of the grand opulence of traditional European palaces. From a carved acanthus leaf to the curvaceous turn of a leg, each classically inspired design captures the essence of glamour while interpreting it for today. With a hint of minimalism, these heritage influences have been reimagined for modern lifestyles in an aesthetic destined to define a new genre of tradition. Only Fontainebleau offers the ultimate incarnation of livable luxury.

# Living

Extraordinary in its timeless relevance, Fontainebleau illustrates the inherent beauty of living grandly. Lavishly layered with silky textures, luminous finishes, and luxurious detailing, these distinctive designs reflect the best of French and Italian ornamentation revitalized for today. Timeless motifs of acanthus leaves, scrolls and florals enhance its modernized silhouettes while illustrating why authentic glamour never goes out of style. Deeply comfortable and infinitely stylish, Fontainebleau offers a fresh take on stylish maximalism.
