epicenters

Our latest edition of the Epicenters franchise takes its inspiration from one of the country's most dynamic cities. Miami, Florida has always been a cultural hot spot. Like New York or LA it's a crossroads for culture, a truly global city with a personality all its own. From the urban chic of the Arts District and Wynwood, to the intense energy of Miami Beach and South Beach, the country's southern tip is known to the world.

33127 (a Miami zip code) embodies all these things. It's an assortment of pieces of furniture that can help define your home as well traveled and fashion forward, yet comfortable and unfussy. Casual texture mixed with glossy glamour. Bright color mixed with tonal neutral. Mid-century lines mixed with traditional forms. It's a world of fantasy that is entirely livable. Its bright, cheerful demeanor comes thru in each item.
