

# SUMMER CREEK

Inspired by traditional stylings of an earlier age, relaxed and softened to resonate with a casual lifestyle, Summer Creek conveys the breeziness reminiscent of a beloved lakeside home. Expressive details like a distressed Scrubbed Oak finish balanced against crisp Harbor White or dark blue-gray Hale paint, distinctive geometric stick-work patterns on high/low paneled tops and open trellis-like sides, woven hemp accents, and sea salt worn custom hardware all create an authentic nautical style with selections for every room.

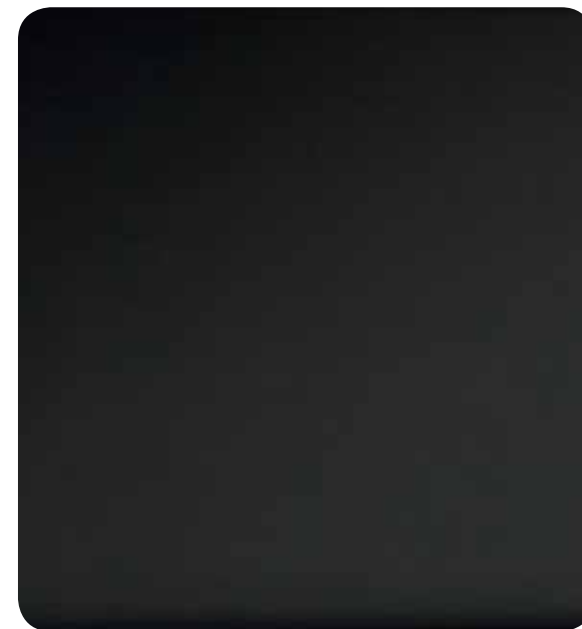

**1303 | SCRUBBED OAK FINISH**

Presented in a plank style with quartered oak veneers, the sun-washed wood stain is lightly cerused to highlight the distinctive graining of oak. The surface is significantly distressed, giving a visual and textural impression of a cherished heirloom.

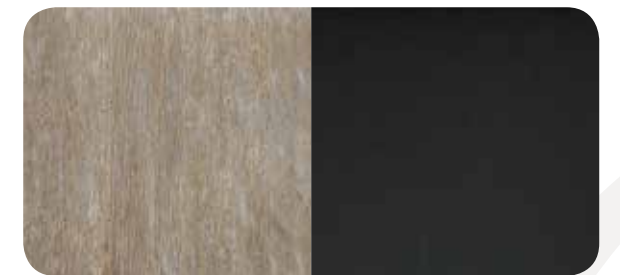

**1317 | HARBOR WHITE FINISH**

The birch veneer in a clean white paint finish is softly rubbed to evoke the sense of loving care throughout generations. Many of the pieces pair Harbor White frames with Scrubbed Oak tops for a subtle and refined contrast.

**1321 | HALE FINISH**

The bold dark blue-gray paint finish is offered as a stunning accent shade on select pieces, creating a strong contrast to the Scrubbed Oak and Harbor White veneers.

**1344 | SCRUBBED OAK/HALE FINISH**

**1340 | SCRUBBED OAK/HARBOR WHITE FINISH**

**IT'S ALL IN THE DETAILS.** Evoking peaceful ambience of a lake or beachfront cottage and generations of family vacations, Summer Creek is imbued with delightful motifs, smart features, and exquisite accents that add pleasure, comfort, and convenience to daily life. Whether it's the shiplapped panels of the sleigh style sofa, stick-work overlays and upholstery tufting, crazy cut high/low tabletops inspired by fossilized sea sponge, or the fish trap antique latch system, this sophisticated approach to a nautical theme is created through imaginative and stylish design details distinguishing every piece.
