CRAFTSMANSHIP

Commemorating A.R.T.'s 15th anniversary, the Landmark Collection celebrates A.R.T.'s accomplishments in the industry to-date and sets the tone for future growth. Like a fine whiskey aged for 15 years, A.R.T. is only getting better with age.

Rooted in tradition, yet updated for today, A.R.T.'s Landmark collection pays homage to 19th-century Louis Philippe styling, while elevating the classic design aesthetic from the expected to the extraordinary. Signature Louis Philippe forms transition to a different era through the use of updated design techniques and Smoked Tenebre, a fresh russet-tone finish that accentuates the rich hickory and burl veneers.

2316 | SMOKED TENEBRE

Smoked Tenebre, a fresh, russet-tone finish accentuates the rich hickory and oak burl veneers of the collection. The finish is presented with cool undertones as opposed to the more traditional warm tones which are often associated with Louis Philippe styling, further elevating the classic design aesthetic toward a more modern look and feel. Pops of black stain accentuate the oak burl veneers, providing rich depth, dimension and movement on each piece, while silver tipping emphasizes drawers, shaped moldings and carved elements throughout the group.

LANDMARK DETAILS

Rich - yet livable - materials play a leading role, including antiqued nickel-plated metal overlays and custom hardware, geometric parquetry veneer patterns, and shaped moldings and carvings with silver tipping. Natural and faux black marble make an appearance on several pieces, while charcoal velvets, faux crocodile leather and menswear-inspired fabrics further embellish Landmark's fresh approach to classic styling.
